SOGETI USA CONTINUES TO EXPAND WITH A NEW OFFICE IN LOUISVILLE, KY

Dayton, OH — August 05, 2008— Sogeti, a premier provider of Information Technology services to businesses and public-sector organizations worldwide and member of the Capgemini Group, today announced the opening of its new office in the Louisville, Kentucky area.

By growing into the Louisville market, Sogeti now has local operations in 24 locations across the United States. The Louisville office opened operations in July and will be focused on helping local businesses successfully implement technology and projects through the complete suite of Sogeti's services, including:

- Microsoft Solutions
- IBM Solutions
- Managed Testing
- Project Consulting
- Business Consulting
- Applications Management
- High Tech Consulting
- Enterprise Technology Consulting

Sogeti prides itself on its *Local Touch—Global Reach* business model that provides companies with local, on-site account management as well as the ability to leverage vast delivery options to best meet their business needs. *"Adding an office in Louisville will enable us to better cater to the growing demand in the local community for the kind of services that Sogeti has perfected and excelled at over the past 40 years,"* said Geographic Vice President, Brian Hammond.

To prepare for successful growth, Sogeti will begin recruiting and hiring in the Louisville area. To learn about Sogeti's services and career opportunities, visit Sogeti's web site at: www.us.sogeti.com
